RE: March, April and May 2007 Monthly Reports

Dear Ms. DeCarmine:

I am in receipt of two letters dated June 13, 2007 in connection with the above captioned reports asking that Together for Our Majority Political Action Committee (TOMPAC) clarify whether expenditures made for "Event Deposit" and "Political Consulting-Fundraising" were made on behalf of specifically identified candidates. None of these expenditures were made on behalf of specifically identified federal candidates. Rather, these expenditures were made to raise funds for TOMPAC. Thus, in accordance with your guidance, we will report generic fundraising consulting in the future as "Political Consulting--Generic Fundraising," and we will report generic fundraising event deposits as "Event Deposit--Generic Fundraising." Further, should any expenditures be made on behalf of specific candidates, they will be identified as such.

Sincerely,

Daniel Cannistra
